The following are some of the principal artists and mechanics who have been employed to ornament and fit up the Great North Wing of Chatsworth House.

Bernasconi and Son (London) Plasterers.
 Brookhouse and Co. (Derby) Plasterers.
 Hutchinson and Co. (London) Painters and Gilders.
 Armstrong and Siddon (London) Joiners.
 Moseley Robert (Derby, Carver and Gilder to his Majesty) Carver and Gilder.
 Westmacott —, esq. (London) Sculptor.
 Rossi —, esq. (London) Sculptor.
 Brown Richard (Derby) Marble Mason.
 Ironfounders—Barrow, Staveley, Smith and Co. Chesterfield.
 Locksmiths and Bellhangers—Standley and Co. Birmingham.
 Smiths and Ironmongers—Picksley and Bertram, Sheffield.

The masonry, wood work, plumbing, glazing, &c. have been executed under the superintendence of the Clerk of the Works.

The *Pleasure-grounds* extend over upwards of eight acres of land: they are laid out in lawns, shrubberies, fountains and cascades. They are rich in forest scenery, and are particularly admired for the picturesque beech, chestnuts and elms with which they abound. The fountains on the south front of the edifice, eject the water
